Physical Description / Condition:	326 images (b&w and col.) mounted on 54 poster boards ; 64 x 36 cm or smaller. 4 compact disc
Administrative/ Biographical Sketch	The John Burtniak Postcard Collection consists of photographic images of postcards mounted on 54 poster boards. The poster boards formed part of a display created by the Map Library, Brock University prior to 1992. Each poster board was individually numbered for display, and this numbering system has been retained. There are some gaps, where poster boards are missing. The images on poster board 1.65 were mounted on a type of board different from the rest and may have been part of another display. It was unnumbered. The poster boards were transferred to the Brock University Archives after 2000. Each photographic image has been scanned and is available for viewing on four compact discs.
