

Wednesday A.M.

My dear Artie,

I have decided
to take the 2.42 train
from Newark, which
arrives in Princeton
at 4.18. Peggy Townley
and another friend
of mine, (Peggy Briengan)
who is also going to
be one of the party at
Cloister Inn, are going
with me. I dropped

Emma a note yesterday
telling of our plans, so
imagine she and Ruth
will take the same
train.

I shall keep all
news until I see
you.

As ever, (and then
Some)

Lessie.

P.S. Your letter was
Just the "best ever."

"The Morning After."

My dear Artie,

What would you do
if you started to say
something, and found
that there weren't quite
enough words in the
English language to
express your thoughts?

When I receive the
desired bit of information,

I shall proceed to
thankyou for the most
glorious of glorious times
that I have ever had, or
expect to have.

Gratefully,
Lessie.

P.S. Another “thankyou” –
The Tiger just arrived.
