Dearest Lover,

I'm so tired

tonight that I can hardly write. All of the boys are in but three. Everything is quite smooth. The new maids seem to be ok. I drove into Hamilton this a.m. to meet David Jack and brought him and [Switzel] out with me. Got your letter from? - with the 1 cent stamp - although I didn't notice the stamp at the time. I do hope you liked your letter a la typewriter. Please forgive me if I don't write more and also for enclosing this funny cartoon.

All my love dear  
Ed
