

Fenwick
June 26.

My Dear Frank, --

May I come
to you for advice, on
a matter which your
long experience in a
bank particularly fits
you to give?

A few years before
my brother Herbert died,
he bought, on the
advice of Mr. Hannah,
our bank manager at
Fenwick, Two \$500 Bonds
of the Maple Leaf Milling
Company, paying interest

at 5 1/2 per cent every
June & December.

Lately they have paid
nothing – except in
promises to pay in
the future.

These bonds having
come to me, I should
like to sell them for
what they would bring
on the market. Do
you think that would
be a wise movement
on my part? And
if so, would you be
willing to have the
sale made for me?
I shall be glad to
pay you whatever you

think right for your trouble.

So much of brother Sam's property was in railway stock, which I neglected to sell before it became almost worthless, that I do not want to make that mistake again. Please let me know what you think, & much oblige.
