

Fenwick
June 26

My Dear Friends, -
Could
you kindly let me
know just when
it will be most
convenient for you
to have me make
my promised visit?
My plan was to

2

have Ken & Dorothy
drive me to New
Dundee one day,
remain with you
the second day &
return home the
third. I am sure
you must have plans
for every hour of
that precious 2. week
holiday; so please
tuck me in to the
three days that will
least interfere with

3

your engagements. We are all looking forward with so much pleasure to seeing you again. The "children" will return home after leaving me with you, as our hundreds of chickens & other livestock cannot be left for more than a few hours.

With very much love & many happy anticipations.

Ever sincerely

Ethelwyn Wetherald
