PREFACE
THE PUBLISHERS, in presenting their Fourth Edition of the CITY OF ST. CATHARINES DIRECTORY, beg to thank the people for the liberal support they have received. Every means has been taken to render it accurate and up-to-date in every detail known by progressive Directory Publishers. The work will be published by them annually, and they hope merchants and business men generally who want the very best will reserve their orders till they see them. Wishing them and the city a substantial advance in everything that conduces to a city's prosperity.
HENRY VERNON & SON, PUBLISHERS.
