LAWS OF THE STATE OF NEW YORK—69TH SESSION.

AN ACT

TO INCORPORATE THE

NIAGARA FALLS INTERNATIONAL BRIDGE CO.

Passed April 23, 1846, by a two-third vote.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

§ 1. All persons who shall become stockholders pursuant to this act, shall be, and they are hereby constituted a body corporate, by the name of "The Niagara Falls International Bridge Company," with power to construct or to associate with any other persons, company or association, not having banking powers, and solely for the construction, maintaining and managing of a bridge across the Niagara River, at or near Niagara Falls, in the County of Niagara.

§ 2. The capital stock of said company shall be two hundred and fifty thousand dollars, which shall be divided into shares of one hundred dollars each, and shall be deemed personal property.

§ 3. The stock, property, affairs and concerns of said company or corporation shall be managed by seven directors, who shall be stockholders in said corporation, and shall be annually chosen after the first election, on the first Monday in July in each year, at such place at or near

Niagara Falls, as a majority of the directors shall appoint, of which due notice shall be given as hereinafter directed. The directors shall, at their first meeting after such election, appoint one of their number to be president, and shall also choose a secretary and a treasurer, to be required, before entering upon the duties of his office, to give security according to the by-laws of said corporation.

Calls on stock-
holders.

§ 4. The directors may require from the stockholders payment of all sums of money by them subscribed, at such times and in such proportion as may be deemed proper, under the penalty of forfeiture of their respective shares, and all payments thereon, first giving thirty days previous notice of each call, in one or more newspapers printed in said county.

Subscriptions
to stock.

§ 5. Charles B. Stuart, of Rochester, Alexis Ward, of Albion, Washington Hunt, of Lockport, George R. Babcock, of Buffalo, and Peter B. Porter, of Niagara, shall be commissioners, who shall, on the first Tuesday in May next, meet at some suitable place at or near the said Falls, such as they, or a majority of them, shall appoint, open books and receive subscriptions to the capital stock of said corporation. They may adjourn said meeting to Buffalo or Lockport, or to both, if they deem it expedient, where they may again open the books, after holding them through the business hours of the day on the first meeting, but no adjournment shall be for a less time than one week. Public notice of the first meeting shall be given ten days, and of each adjournment seven days, in one or more of the newspapers printed in the county where the meeting is to be held. The books shall be held open whenever opened by one or more of the commissioners, at least, through the regular business hours of the day, so that all persons who desire it shall have a fair opportunity of becoming subscribers; and the sum of five dollars on each share subscribed shall be paid to the said commissioners attending, at the time of making such subscription.

§ 6. The said commissioners, or a majority of them, shall

assemble on the first Tuesday in June next, at their first place of meeting, and if the whole of the said capital stock shall not have been subscribed, may again open the books for further subscriptions, and if more than the whole stock shall have been subscribed, shall distribute the same, and apportion it among the subscribers in such manner as they shall deem most advantageous to the corporation; and after closing the said books, they shall give ten days notice in a public newspaper in the county of Niagara, of a meeting of the stockholders to choose directors. The said commissioners, or such of them as shall attend, shall preside at the first election. And such election shall be made at the time and place appointed by the commissioners in their notice, by such of the stockholders as shall attend in person or by proxy at the first and all subsequent elections, and they shall be entitled to one vote on each share of stock which they shall respectively hold, and which shall have stood in their names at least fourteen days prior to the time of any election; and the said commissioners so presiding shall, under their hands, certify the names of the directors so elected, and deliver over the subscription money and books to the said directors, and the time and place of holding the first meeting of directors shall be fixed by said commissioners; and the directors shall have power to cause such examination of ways to, and location for said bridge, as may be necessary to the selection of the most advantageous site for the same, with the necessary and proper approaches thereto. The said directors shall select, and by certificate designate the site of said bridge and approaches, and make two certificates thereof, one of which shall be filed with the clerk of the county of Niagara, and the other filed with the secretary of said corporation, which approaches and site shall be considered the approaches to, and site of said bridge, on which they may construct said bridge, and improve and perfect said approaches as hereinafter mentioned.

the objects for which this corporation is granted, and may, by their surveyors and engineers, enter upon such sites and locations and take possession of the same. But all such sites and locations as shall be entered upon as aforesaid, shall, except donations, be purchased of the owner or owners of the same, at a price to be mutually agreed upon. In case of disagreement of price, on the East side of the river, or any other cause which shall prevent acquisition by agreement, the said directors may present their petition to the vice-chancellor of the eighth circuit or to the circuit judge of said circuit, setting forth the necessity of such lands for the site of said bridge, toll-houses, gates or accommodations for the officers or agents of the said company in the execution of their duties, and of the attempt and failure to purchase the same, and the residence of the owner, or occupier, or agent representing the same, and the reason why the purchase cannot be made; and the said vice-chancellor or judge shall direct such notice to the owner or representative of said land as he shall deem reasonable, of the time and place of hearing the parties, and upon proof of due service of said notice, and upon hearing, the said vice-chancellor or judge shall appoint three competent freeholders of said county of Niagara, to appraise said lands. The said commissioners, after giving notice to the owner, occupant or agent, or in case of absence, leaving a written notice at his usual place of residence, shall appraise said lands, and award to the owner or owners thereof what they shall deem to be the full value of the same, and shall be authorized to examine lands, administer oaths, to hear testimony, and shall make their appraisement without delay, under their hands and seals, with minute and accurate description of the lands designated, and shall report the same to the said vice-chancellor or judge, who shall examine the report and hear the parties, if desired, and may increase or diminish the damages if he shall be satisfied injustice has been done. Upon proof to the vice-chancellor or circuit judge within twenty days after his determination, of the payment to the owner or owners, or depositing to his credit in such bank as the chancellor or

circuit judge shall direct, the amount of value of such lands, and the payment of the expenses of the application and appraisal, the said chancellor or judge shall make out an order particularly describing the lands and receiving the appraisement, and the payment of the money and expenses, and the facts necessary to the compliance with this section of the act; and when the order shall be recorded in the office of the clerk of the county of Niagara, whose duty it shall be to record the same, the said corporation shall be possessed of all the lands thus ordered, and may enter upon and take possession of the same, and may perfect and improve the same as shall be deemed most useful to the said corporation.

§ 8. In case any married woman, infant or idiot, insane person, non-resident abroad, or whose residence is unknown, shall be interested in such lands, the vice-chancellor or circuit judge shall appoint some competent and disinterested person to appear before such commissioners and act for and in behalf of such infant, insane person, idiot or non-resident; and the directors of the corporation shall have power to make all reasonable by-laws and rules consistent with general laws for the government of the company and its officers or agents. But this act shall not be construed to authorize said company to appropriate any portion of Goat Island without the consent of the owner or owners thereof.

Provision in
case of married
women, infants,
&c.

§ 9. The said corporation shall possess the general powers, and be subject to the general restrictions and liabilities prescribed by such parts of the eighteenth chapter of the first part of the Revised Statutes as are not repealed.

General
powers.

§ 10. If any person shall willfully do, or cause to done, any act or acts whatever, whereby said bridge or any work or approach appertaining thereto shall be obstructed, impaired, weakened, injured or destroyed, the person so offending shall forfeit to the said corporation treble damages sustained by means of such offence or injury, to be recovered in the name of the corporation with costs of suit by action of debt; and shall moreover be guilty of misdemeanor, and be

punished by fine or imprisonment, or both, by any court having cognizance of the offence.

Rates of toll.

§ 11. Whenever the said bridge shall be fully completed and its safety tested, and the fact certified by one or more of the judges of the county court of the county of Niagara, not interested, the said company may erect toll gates, fix the rates of tolls, and make such erections as the directors shall deem expedient to guard the entrances on to said bridge. But no greater tolls than the following shall be charged, viz.: For every foot passenger entering upon, or passing over, twenty-five cents; for every horse and single carriage, fifty cents; and an addition of eighteen and three-fourths cents for every passenger actually travelling in such carriage, and all other passengers twenty-five cents each; for double carriages and two horses, one dollar, and the same rates for passengers, and twenty-five cents for each additional horse in such double carriage; for sheep passing, one and a half cents a head; for swine, two cents each, and for neat cattle, six cents each.

Penalty for forcing the gates.

§ 12. If any person shall force, or attempt to force, any of the gates without having paid the established toll, such person shall forfeit and pay to the said corporation five times the amount of legal toll, to be recovered in manner aforesaid.

Time limited.

§ 13. If the said bridge shall not be constructed within five years after the passing of this act, then the said corporation shall from thenceforth cease.

Right to repeal.

§ 14. The legislature may, at any time alter or repeal this act.

AN ACT

TO AMEND THE CHARTER OF THE **NIAGARA FALLS INTERNATIONAL BRIDGE CO.**

ACT OF PARLIAMENT
OF THE
PROVINCE OF CANADA.

12 VICTORIA, CHAPTER 161.

An Act to amend the Act incorporating "The Niagara Falls Suspension Bridge Company."

(Passed 30th May, 1849.)

NOTE.

The Act amended is the Act of incorporation, Section two of which is repealed, and the capital of the Company is reduced to twenty-five thousand pounds, in shares of twenty-five pounds each. An exclusive privilege is granted to the Company for fifteen years to erect any other bridge above the site of the present bridge to the head of the Rapids above the Falls on condition that the privilege be forfeited unless the Company by January 1st following, finish and complete the existing Suspension Bridge for the passage of all descriptions of loaded waggons, etc., and on the completion of a continuous line of railway in the United States and Canada, to pass at that point, erect permanent stone towers and strengthen the cables so as to permit the passage of railway trains. The privilege is also conditional upon the Company erecting, within five years of the passing of the Act, a bridge for foot passengers at least one mile above their present bridge, and should they do so, authority is given to increase their capital to thirty-seven thousand five hundred pounds.

OF THE
PROVINCE OF CANADA.

16 VICTORIA, CHAPTER 110.

An Act to increase the Capital Stock of the Niagara Falls Suspension Bridge Company.

(Assented to 22nd April, 1853.)

Whereas, the Niagara Falls Suspension Bridge Company have represented that the cost of their bridge when completed will exceed the amount of their present capital, and have prayed that they may have power to increase the same, and it is expedient to grant the prayer of their petition; be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland and intituled an Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada, and it is hereby enacted by the authority of the same, that it shall and may be lawful for a majority of the whole number of Directors of the said Company to add to their present capital stock the sum of twelve thousand five hundred pounds currency, divided into five hundred shares of twenty-five pounds each, which shares shall and may be subscribed for either in or out of the Province, in

such proportions or numbers, and at such times and places, and under such regulations, and on such conditions as such majority of Directors shall from time to time establish, and the shares subscribed for shall be paid in by such instalments not exceeding five per cent. per month, and at such times and places as the majority of such Directors shall from time to time appoint; Provided that no share shall be held to be legally subscribed for, unless ten per cent. thereof at the least be paid at the time of subscribing and that the provisions of the fourth section of the original Act of Incorporation of the said Company, as to the forfeiture of shares and all previous payments thereon shall be applicable to all cases in which instalments on the shares subscribed for in the increased capital, shall be unpaid.

II. AND BE IT ENACTED, That the holders of any such additional or new share or shares, shall be entitled to vote in respect of the same, in like manner and to the same extent as the original shareholders in the said Company.

III. AND BE IT ENACTED, That nothing in this Act contained shall be adjudged or construed to take away or lessen the power of the said Company further to increase their said Capital under the Sixth Section of the Act passed in the twelfth year of Her Majesty's reign, and entitled An Act to amend the Act incorporating the Niagara Falls Suspension Bridge Company, in the event of the construction of the Foot Bridge contemplated by the said Act; Providing always that the whole Capital stock of the said Company shall be limited to the sum of Fifty Thousand Pounds.

IV. AND IT IS ENACTED, That this Act and the Act last herein recited shall be deemed and taken to be Public Acts.

ACT OF PARLIAMENT
OF THE
PROVINCE OF CANADA.

18 VICTORIA, CHAPTER 37.

An Act to increase the Capital Stock of the Niagara Falls Suspension Bridge Company.

(Assented to 18th December, 1854.)

WHEREAS, The Niagara Falls Suspension Bridge Company Preamble. have applied for an increase of the Capital Stock of that Company, and it is expedient to grant the same; be it, therefore, enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of, and under the authority of, an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and entitled, *An Act to reunite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, as follows:

I. It shall and may be lawful for the said Niagara Falls Suspension Bridge Company to increase their Capital Stock by an amount not exceeding Twenty-five Thousand Pounds, of lawful money of this Province, by creating an additional number of Shares, not exceeding One Thousand, of Twenty-five Pounds each, which Shares may be subscribed for either in or out of this Province, in such proportions or numbers,

Company may increase their stock by £25,000, and in what manner.

Proviso.

and at such times and places, and under such regulations and conditions, as the majority of the Directors of the said Company shall, from time to time, establish, and the Shares subscribed for shall be paid in by such installments, and at such times as the Directors may appoint; provided, that no Share shall be held to be legally subscribed for unless ten per centum thereof be paid at the time of subscribing.

New Shares to be subject to Act of Incorporation.

II. The Directors shall have the same power to forfeit the Shares to be subscribed for under this Act, and the holder or holders of such new Shares shall have the same right to vote thereon, as are given in and by the original Act of Incorporation of the said Company, with regard to the Shares therein mentioned.

Proviso to Sect. 3, of 16 V. c. 110, repealed.

III. The proviso at the end of the third Section of the Act of the now last Session, entitled, *An Act to increase the Capital Stock of the Niagara Falls Suspension Bridge Company*, which limits the said Capital Stock to Fifty Thousand Pounds, shall be, and is hereby, repealed.

Public Act.

IV. This Act shall be deemed a Public Act.

Articles of Union and Association

BETWEEN THE

NIAGARA FALLS INTERNATIONAL

AND

SUSPENSION BRIDGE COMPANIES.

THIS INDENTURE, made the ninth day of November, in the year one thousand eight hundred and forty-seven, between the NIAGARA FALLS SUSPENSION BRIDGE COMPANY, of the one part, and the NIAGARA FALLS INTERNATIONAL BRIDGE COMPANY, of the other part:

WITNESSETH, That, whereas, the two companies were incorporated for the express purpose (as appears by their respective charters) of constructing a suspension or other bridge over the Niagara River near the Falls, for the convenience, use and benefit of the citizens, subjects and residents, as well of the State of New York and other States of the American Union, as of Great Britain, her dependencies, and Canada.

AND, WHEREAS, For the purpose of carrying into effect the intention of the Legislature of New York and the Provincial Parliament of Canada, in authorizing and empowering the respective companies to construct the said bridge, it has become necessary for the said parties in this indenture mentioned, to agree upon some uniform plan and system of construction, and upon some general principles, rules and regulations for the constructing of, and maintaining and conducting, the operations and business of said bridge when constructed.

NOW, THEREFORE, It is mutually covenanted and agreed by and between the parties of the first and second part, as follows, that is to say—

1st. That the stock, property and funds of each of the said companies shall be applied exclusively to the constructing, maintaining and managing the said bridge, its appurtenances and approaches, and that no part of the joint or separate funds of the said companies shall be applied to any other use or purpose whatsoever.

2nd. That no contract with any persons, individual or individuals, for the constructing or maintaining the said bridge, or its incidents, shall be entered into, without the same shall have been approved by the two companies, or their agents, each being liable only for a moiety or half part of all sums of money to be paid for or on account of contracts entered into by the consent of both, and each shall only be liable for its own moiety of performance of such contracts, and all contracts to be made shall be made accordingly.

3rd. Each company shall be bound and responsible for, and shall furnish, one-half of the sum required for the constructing, maintaining and managing said bridge and its appurtenances, at such times as the same shall be required; and each shall assess and make calls, and place in the hands of their treasurer, simultaneously with the other, its respective share. And each shall have in the hands of their treasurer, five thousand dollars, ready to be paid over on or before the fifteenth day of May next, and shall assess and make further calls, equally, as the same shall be wanted to carry on the operations of building and completing the structure.

4th. If either company shall make default in payment of the money which shall, from time to time, be required to commence, carry on and complete, the said bridge, or repair the same, it shall be at the election of the other to prosecute and recover damages for such default, or to go on and furnish the same, and complete and take possession of the

structure, and hold the same with all the emoluments, benefits and advantage thereof, until they shall net from its avails the money so advanced, and also ten per cent. per annum, and at and after that rate for a longer or shorter time from the date of such advance until the same shall be refunded, which said ten per cent. shall be taken and held by the company so advancing, as stipulated damages against such said defaulting company.

5th. All profits and losses shall be divided between, or borne equally by, the respective companies; and statements of profits and losses, and all expenditures and outlays, shall be entered by the respective treasurers and exhibited to the joint Board by them as often as required. And it is hereby mutually agreed that all expenses of every kind charged on such bridge and appurtenances, shall be equally borne by both; and all profits, gains and advantages shall be shared by each equally with the other; and the said bridge and its appurtenances, approaches and appendages, shall be the joint property of the two companies, so that they may be equal in all things; and all superintendents, collectors of tolls, and all tariffs of tolls, shall be appointed by the joint acts of the two Boards, and established and altered by them, and so of all regulations for managing and controlling the said bridge and its appendages.

6th. It shall require a majority of the members of each Board to form a quorum of the joint Board, and no measure shall be deemed to be passed or carried unless it shall receive a vote of a majority of the members of each Board present, and no business shall be transacted by either company separate from the other in any measure affecting the joint interests.

7th. If any difference of opinion should arise between the companies touching the rate of freight, passages, management, or any other matter or thing relating to said bridge or joint property, the same shall be submitted to arbitration in manner following: One disinterested arbitrator shall be selected by each Board of Directors, to whom the matter

in controversy shall be submitted ; and in case the arbitrator thus selected cannot agree, they shall select a third arbitrator, and their decision in writing, or a majority of them, shall be binding and conclusive on the companies in the premises submitted.

8th. By-Laws shall be passed by the joint Boards for the government of the companies, and fixing the mode and manner, time, &c., of holding joint meetings.

Sealed and delivered the day and year above written.

ACT OF PARLIAMENT
OF THE
DOMINION OF CANADA.

38 VICTORIA, CHAPTER 72.

An Act to legalize and confirm certain agreements made between The Niagara Falls International Bridge Company, The Niagara Falls Suspension Bridge Company and The Great Western Railway Company.

(Assented to 8th April, 1875.)

WHEREAS, The Niagara Falls International Bridge Company, incorporated by an Act of the State of New York, The Niagara Falls Suspension Bridge Company, and The Great Western Railway Company, did, on the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three, execute and enter into a certain indenture and agreement bearing that date, whereby the said two Bridge Companies did demise and lease to the said Railway Company the railroad floor and structure of the Suspension Bridge across the Niagara River at or near the Town of Clifton, then the Village of Elgin, including all its supports, fixtures and gates, excepting the sidewalks and their gates, for and during the continuance of the said Railway Company's Charter, which said indenture and agreement is set out in Schedule A to this Act;

Preamble.
Recital of
agreements
between the
companies
respecting
railroad floor
of the bridge.

AND WHEREAS, The said three Companies have entered into two agreements, bearing date respectively the eighteenth

day of January, in the year of Our Lord one thousand eight hundred and seventy-two, and the twenty-seventh day of February, in the year of Our Lord one thousand eight hundred and seventy-five in amendment and explanation of the said indenture of the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three, which said two agreements are respectively set out in Schedules B and C to this Act;

Possession by
Great Western
Railway
Company.

AND WHEREAS, Shortly after the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three, the said Railway Company did, under and in pursuance of the said indenture of that date, enter into possession of the said railroad floor and its appurtenances, and have ever since remained in possession thereof, and have performed all the terms and conditions of the said lease, as so amended, on their part;

Doubts raised
and petitions
for their
removal.

AND WHEREAS, Doubts have been raised as to the power of said Niagara Falls Suspension Bridge Company to enter into the said indenture, or demise the said railroad floor as in the said indentures and agreements mentioned, and the said Companies have by their petition prayed that all doubts as to the validity of the said indenture and agreements may be removed, and that the same may be declared legal, and it is expedient to grant the prayer of the said Petition;

THEREFORE, Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:

Certain inden-
tures and
agreements
being schedules
A, B and C,
confirmed and
declared valid.

1. The said indenture and agreement bearing date the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three, the said agreement bearing date the eighteenth day of January, in the year of Our Lord one thousand eight hundred and seventy-two, and the said agreement bearing date the twenty-seventh day of February, in the year of Our Lord one thousand eight hundred and seventy-five, and which form respectively the Schedules A, B and C to this Act, are and each of them is hereby confirmed and declared to be and have been legal and valid; and

all and singular the provisions, stipulations, covenants and agreements, and all and singular other the matters in the said indenture and agreement set out in Schedule A to this Act, as amended and explained by the said agreements set out in Schedules B and C to this Act, shall be valid and binding upon each of the said Companies, and in favor of the said two Bridge Companies and of the said Railway Company respectively, and shall in all respects have the same force and effect as though the same were and every of them was expressly embodied in this Act.

2. It shall be lawful for the Great Western Railway Company to agree with any company, corporation or persons, using or proposing to use the said railroad floor of the said bridge and the approaches thereto, as to the amount of tolls, rates or other remuneration to be paid to the Great Western Railway Company for such use, and to commute the same at any fixed or variable amount, or for a payment or payments in gross or for recurrent payments at fixed or variable periods; and any agreement so entered into between the Great Western Railway Company and such other company, corporation or persons for the use of the said railroad floor and approaches, shall be legal, valid and binding; and under any such agreement, such company, corporation or persons shall be entitled to the use of the said railroad floor and approaches according to the stipulations and conditions of such agreement.

Agreements may be made for the use of the railroad floor of the bridge by other companies.

3. It shall be lawful for the Great Western Railway Company to confine the use of the said railroad floor of the said bridge to railway traffic, and at their option to transport upon and across the said railroad floor of the said bridge, with their own servants and motive power, the cars and traffic of all such companies, corporations and persons as may use or propose to use the said railroad floor of the said bridge, and to agree with any such company, corporation or person, as to the amount of tolls, rates or other remuneration to be paid to the Great Western Railway Company, for such service, and to commute the same at any fixed or

Use of railroad floor may be restricted.

variable amount, or for a payment or payments in gross, or for recurrent payments at fixed or variable periods.

4. The agreement entered into between the Erie and Niagara Railway Company, and the Canada Southern Railway Company, and the Great Western Railway Company, dated the twentieth day of March, one thousand eight hundred and seventy-five, and which forms Schedule D to this Act, is hereby declared legal, valid and binding.

SCHEDULE A.

THIS INDENTURE, Made and concluded this first day of October, in the year one thousand eight hundred and fifty-three,

Between the Niagara Falls International Bridge Company and the Niagara Falls Suspension Bridge Company jointly, party of the first part, and the Great Western Railway Company in Canada West, party of the second part.

WHEREAS, The parties of the first part are now constructing a Suspension Bridge across Niagara River, extending from the Village of Bellevue, in the State of New York, to the Village of Elgin, in Canada West, with two floors, the upper floor thereof being designed to pass railroad trains with locomotives, and the lower floor thereof for carriages, foot-passengers and animals; the upper floor to have sidewalks for foot-passengers, and gates to control the entrance upon the railroad floor and the sidewalks, and railing or lattice-work on the inner margin of the sidewalks, so as to separate them from the railroad passway, and to have the entrance to the sidewalks separate from the entrance to the railway, in such a manner as to prevent foot-passengers from going on to the railroad track;

AND WHEREAS, The parties of the first part are erecting said railroad bridge of such strength and stability, as to render it entirely safe and sufficient for the passage of heavy trains with locomotives, and purpose laying down

rails with a guage of four feet eight and one-half inches, one of five feet and six inches, and one of six feet, and to complete the whole at the earliest period which the safety of the structure will permit.

Now, This Indenture witnesseth, that the said parties of the first part, in consideration of the rents, covenants and agreements of the party of the second part hereinafter contained, covenant and agree to and with the party of the second part, that they will with all convenient speed complete the structure above mentioned, and submit the same to proper tests, and the inspection of the Hon. H. H. Killaly, and in case of his inability to act, or declining to do so, to some other engineer competent, to be mutually agreed upon between the parties; in the event of the parties being unable to agree upon an engineer, each party to appoint one, and the person so appointed to select an umpire, who shall be satisfied of its capacity to carry engines, passenger and freight cars, at a moderate velocity, not exceeding five miles an hour; and when so finished and satisfactorily tested, to lease and let, and the said parties of the first part, do hereby lease and let to the said party of the second part, the railroad floor and structure, including all its supports, fixtures and gates, excepting the sidewalks and their gates, to be for their entire use and under their control, for and during the continuance of their Charter, yielding and paying therefor, to the party of the first part, the sum of forty-five thousand dollars for each year, payable half-yearly on the first days of June and December, from and after the time the same shall be tested and approved as aforesaid.

And the said parties of the second part covenant and agree to and with the parties of the first part, that they will forever hereafter, during the continuance of their Charter, except as hereinafter mentioned, yield and pay to the parties of the first part, forty-five thousand dollars rent in each year, payable half-yearly on the first days of June and December, and keep the said floor, railway tracks, and all structures and approaches appertaining to the same and so rented, in good order, repair and condition, except the

foot-walks and the gates approaching the same,—accidents arising from defect in the strength or structure of said bridge, and accidents by fire also, excepted. And it is expressly understood, that the strength and stability of the structure for railway purposes, as herein stated, and described, shall be at the risk of the said parties of the first part, and that the conditions herein imposed upon the parties of the second part, to keep the said floor in repair, shall not apply to the cables, nor any other part of the bridge, affecting or pertaining to its stability as a railway structure.

The parties of the second part may from time to time, and as often as they may deem necessary, at their own cost and charges, (provided the bridge should be reported on as safe,) require that the said bridge or any part of the same be examined and reported upon by competent engineers, which engineers, if not mutually agreed upon, shall be selected, one by each party, and the two so selected shall choose a third; and should the said engineers or a majority of them, on examination, report that the said bridge cannot with safety be used for railroad purposes, then the rent hereby reserved shall cease from such time as said engineers shall decide the same to be unsafe, until the said bridge shall be strengthened and made safe, and be so determined by competent engineers selected and chosen in the manner above described, and when so determined, the rent shall be again resumed, and that during the period such rent shall cease and be discontinued, all the passengers, baggage, freight, &c., of the parties of the second part crossing said bridge, shall be subject to such reasonable rates of toll as shall be agreed upon between the parties. And if at any time hereafter the rent herein reserved, or any part thereof, shall be unpaid or remain due and unpaid to the parties of the first part, for the space of thirty days after the same ought to be paid, the parties of the first part shall be at liberty to end this lease, and re-enter and take possession of the structure and all its approaches and appendages, or may at their option suffer this Indenture to continue in

force, and proceed by action to recover arrears of rent. But nothing in this clause shall be construed to prevent the parties of the first part from proceeding by action or otherwise to recover arrears of rent at any time when due, and in case of re-entry, they shall not be prevented from prosecuting for arrears that may remain due at the time of such re-entry.

For the purpose of making this covenant and agreement more explicit and better understood, the following explanations, provisions and stipulations are to become part of this agreement, and each of the parties hereto covenant and agree to the same as follows:

Article 1st. The lower or carriage way of the bridge and its approaches, and the sidewalks of the upper railroad floor and their approaches, are to be under the control and for the use of the parties of the first part, but are not to be used in any manner to the hindrance of free and uncontrolled use of the railroad floor and its approaches by the parties of the second part for railroad purposes.

2nd. The upper railroad floor of the bridge and structure, including all supports, fixtures and gates excepting the sidewalks and their gates and approaches, are to be under the control and for the use of the parties of the second part for railroad purposes; said supports and fixtures properly belonging to, and sustaining the upper structure thereof.

3rd. The possession and use of said railroad structure by the parties of the second part, is to carry with it the exclusive right to extend to other companies and persons, the privilege of crossing said railroad bridge with locomotives, trains and cars carrying passengers and freight, on such terms as they may agree to, subject, however, to the conditions and restrictions prescribed in this Indenture to the parties of the second part.

4th. It is understood, that the privilege hereby conveyed to the parties of the second part, is for the purpose of passing locomotives and cars with freight and passengers, in the prosecution of legitimate railroad business, and that they are not to afford the means to any other person or persons,

except railroad passengers, of crossing or evading the payment of toll to the parties of the first part.

5th. The parties of the second part to be responsible to the parties of the first part, that the companies or individuals to whom they shall underlet, shall keep within the restrictions and conditions contained in this Indenture; and the parties of the second part shall have all the profits accruing therefrom.

6th. As it is believed that many of the railroad passengers will prefer walking over said bridge, or going in omnibuses or other carriages, to passing over in the cars, the parties of the first part agree to permit them so to pass over their upper sidewalks and lower floor free, on their producing tickets from the Railroad Company, showing that they are regular railroad passengers, and have come from, or are going a distance of at least five miles East or West, to or from the bridge; but this permission is not to prevent the parties of the first part from charging the regular tolls upon the omnibuses or carriages carrying such railroad passengers. The meaning of this article is, that the parties of the second part shall not carry passengers who are only passing from one side of the river to the other, and that they, and those to whom they underlet, shall not carry passengers over said bridge, nor give tickets to passengers, to pass the bridge, who have not come, or are going, at least five miles to or from the bridge, and shall not give tickets to, nor carry persons who intend merely to pass the bridge, and are not thus traveling in their cars; but shall at all times adopt such reasonable regulations as may be necessary to prevent such evasions of the rights of the parties of the first part, to take toll from all except legitimate railway passengers. And if at any time the agents or employees of the parties of the second part, or those to whom they shall underlet, shall in any manner collude with persons to afford them the means of evading the rights of the parties of the first part to take toll, the parties of the second part, or those exercising the right under them, shall, on such collusion or evasion being made known to them, dismiss such agents or employees.

7th. The parties of the second part agree to keep in good condition and repair, the said railroad floor, railway tracks and all approaches and structures appertaining to the same herein leased to them as aforesaid; but the stability and sufficiency of the bridge when completed, as a railway structure, is guaranteed by the parties of the first part. And the parties of first part also agree to keep the floor of the upper sidewalks and their approaches, and the entire lower floor and its approaches and appendages in good condition and repair.

8th. The parties of the second part are to permit, under regulations made by them, of the running of a light car with locomotive or horse-power, to convey omnibus passengers between the Village of Niagara Falls and Table Rock, by the parties of the first part, but in a manner that shall not interfere with the rights above granted to the parties of the second part, or any other Railroad Company having rights to pass said bridge under them.

9th. The short railroad from Niagara, Canada West, to the Falls, and from Port Dalhousie to St. Catharines, which could not be expected to arrange with the parties of the second part, for transit across the bridge upon a principle of percentage, to have it in their power to arrange with the parties of the second part at five cents per head for their railroad passengers, and a proportionally moderate fare for freight.

(The above Ninth Article abrogated by agreement of 18th January, 1872.)

10th. No railroad locomotive or train to cross the bridge at a greater velocity than at the rate of five miles per hour; and no locomotive or cars to stop or remain on the bridge in passing over.

11th. The parties of the first part to allow the directors and employees of the parties of the second part, and such other railway companies as they shall make arrangements with, free tickets to pass their bridge, and the parties

of the second part shall allow from their own, and procure from the railroad companies with whom they shall arrange for the use of the bridge as aforesaid, free tickets for the directors and officers of the parties of the first part to pass over their respective railways.

12th. It is believed that the carriage-way of said bridge will be finished before the railway floor shall be completed, and in that case the parties of the first part are to allow the passengers and their baggage coming in the trains of the parties of the second part, to pass such new and present carriage bridge at ten cents each, and freight at a reasonable rate, to be agreed upon between the parties.

13th. The parties of the second part shall not do, nor suffer any act or thing under this agreement, contrary to the charter of incorporation of either of the bridge companies aforesaid.

14th. All taxes, of every description and kind whatever, both upon the American and Canadian sides, to be paid by the parties of the first part.

IN WITNESS WHEREOF, The parties to these presents have hereunto caused the seals of the respective companies to be affixed, and the same to be executed by their proper officers, the day and year first above mentioned.

SCHEDULE B.

WHEREAS, Differences of opinion have arisen between the parties of the first part and the parties of the second part in the annexed agreement, as to the extent and nature of the repairs to be made under the seventh or other clauses of said agreement, and by whom the same are to be made and borne:

1st. For explanation thereof, it is hereby mutually understood and agreed upon, that the parties of the second part shall, at their own expense, assume, and make, and pay, and bear the cost of repairs of the track-girders above and below the upper floor beams, and also of the upper floor planking and of the covering thereof, between the suspenders and within the towers extending about three feet from outside of said track-girders, according to that part tinted red of the plan hereunto annexed, and shall renew the said girders and upper floor planking and covering when necessary, and shall also be at the expense of repairing and renewing when necessary, one-fourth of the floor beams, by repaying or refunding to the parties of the first part one-fourth of the cost of such repairs and renewals.

2nd. It is further mutually understood and agreed upon, that all such repairs, excepting those of the rails forming the tracks, shall be made, when required, by the Mechanical Engineer of the parties of the first part, and under his directions, and that the parties of the second part shall pay to the parties of the first part the reasonable cost of the same, on the production of the certificate of such Engineer.

3rd. All spans and approaches to the said bridge necessary for railway purposes, shall be kept and maintained at the expense of the parties of the second part, except the masonry and bridge stairs.

4th. The ninth clause in the annexed agreement is hereby abrogated and declared to be of no effect.

IN WITNESS WHEREOF, The parties to these presents have hereunto caused the seals of their respective companies to be affixed, and the same to be executed by their proper officers, this eighteenth day of January, one thousand eight hundred and seventy-two.

SCHEDULE C.

This indenture made in duplicate the twenty-seventh day of February, in the year of Our Lord one thousand eight hundred and seventy-five, between the Niagara Falls International Bridge Company, hereinafter called the New York Bridge Company, of the first part; the Niagara Falls Suspension Bridge Company, hereinafter called the Canadian Bridge Company, of the second part, and the Great Western Railway Company of Canada, hereinafter called the Railway Company, of the third part:

WHEREAS, By an indenture bearing date the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three, made between the New York Bridge Company and the Canadian Bridge Company of the first part, and the Railway Company of the second part, the said Bridge Companies did lease to the Railway

Company, for and during the continuance of its charter, the railroad floor and structure of the Suspension Bridge across the Niagara River extending from the village of Bellevue, now the town of Suspension Bridge, in the State of New York, to the village of Elgin, now the town of Clifton, in the Dominion of Canada, including all the supports, fixtures and gates thereof, excepting the sidewalks and their gates, upon and according to the terms and provisions in the said indenture set forth, and reserving the yearly rent of forty-five thousand dollars, payable half yearly on the first days of June and December, to the said Bridge Companies jointly ;

AND WHEREAS, The said Bridge Companies and the said Railway Company, on the eighteenth day of January, in the year of Our Lord one thousand eight hundred and seventy-two, entered into an agreement bearing that date, in explanation and amendment of the said indenture of the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three ;

AND WHEREAS, Doubts have been raised as to the validity of the said indenture of the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three, and the Railway Company considering it desirable that such doubts should be removed, have agreed to increase the rent reserved by the said indenture of lease, from forty-five thousand dollars a year to fifty thousand dollars a year of lawful money of Canada, such increased rent to be computed from the first day of August now last past, on condition that these presents shall be executed, and that the said indenture of lease, the said agreement, and this indenture shall be declared and made valid by Act of Parliament. And the said Bridge Companies and the said Railway Company have agreed to execute these presents in confirmation of the said recited lease and agreement, and to secure the payment of the said increased rent.

AND WHEREAS, The parties to these presents have agreed to apply to the Parliament of the Dominion of Canada for an Act to declare and make the said lease and agreement and this indenture valid ;

NOW, THEREFORE, This indenture witnesseth, that in consideration of the premises and of the increased rent hereinafter reserved and made payable, the New York Bridge Company and the Canadian Bridge Company do, and each of them doth hereby confirm, assure, demise and lease unto the Railway Company the said railroad floor and structure of the said Suspension Bridge, including all its supports, fixtures and gates (excepting the sidewalks and their gates), and all the tolls, rights, powers and franchises of the said Bridge Companies, and each of them in respect thereof,

TO HAVE AND TO HOLD the same unto and to the use of the said Railway Company, and under their sole control for and during the continuance of the charter of the Railway Company upon the terms, provisions and conditions in the said indenture of the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three set forth, as explained and amended by the said agreement of the eighteenth day of January, in the year of Our Lord one thousand eight hundred and seventy-two.

And the Railway Company hereby, on the conditions hereinbefore recited, covenant with the said the New York Bridge Company and the Canadian Bridge Company, that hereafter when, and so often as any half-yearly payment of rent shall become due and payable to the said two Bridge Companies, under and by virtue of the said recited indenture of lease, they, the Railway Company, will pay to them such rent, at the rate of fifty thousand dollars a year, instead of at the rate in the said indenture mentioned, such increased rent to be computed from the first day of August last, and be paid on the days and times in the said recited indenture mentioned.

And the said New York Bridge Company and the Canadian Bridge Company hereby jointly and severally covenant with the Railway Company, that they will join the Railway Company in an application to the Parliament of the Dominion of Canada for an Act of such Parliament to confirm and make valid the said indenture of lease, of the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three, the said agreement of the eighteenth day of January, in the year of Our Lord one thousand eight hundred and seventy-two, and this indenture, and that such Legislation shall be applied for forthwith, and as often as the Railway Company may deem necessary or of any avail, and that they will use their best exertions to procure the same.

And the New York Bridge Company and the Canadian Bridge Company do, and each of them doth hereby grant, assign and transfer to the Railway Company all tolls, charges and demands of them, the said Bridge Companies, and of each of them against any and every Company whatsoever, for or in respect of the use, in the past and future, of the railroad floor of the said bridge, and do, and each of them doth hereby release and acquit the Railway Company from every demand of them, the said Bridge Companies, and each of them, for or in respect of the use of the railroad floor of the said bridge, save and except the rent under the said indenture of lease, from the first day of June last to the first day of August last at the rate of forty-five thousand dollars a year, and the rent since that date at the increased rate of fifty thousand dollars a year.

And it is expressly understood and agreed between the parties to these presents, that nothing herein contained shall operate or be taken as a surrender of the said indenture of the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three, or of the term thereby created.

And it is hereby further agreed, that the said rent shall in future be payable only at the city of Hamilton, in the Dominion of Canada.

And it is hereby expressly understood and agreed by and between the parties hereto, that if the application to the Dominion Parliament to make valid the said lease, the said agreement and this indenture, shall prove abortive, then these presents and everything herein contained shall be null and void, and the several parties hereto shall be placed *in statu quo ante* this agreement.

IN WITNESS WHEREOF, The said Companies have hereunto affixed their corporate seals the day and year first above written.

Signed, sealed and delivered.

SCHEDULE D.

THIS AGREEMENT made the twentieth day of March, in the year of Our Lord one thousand eight hundred and seventy-five,

Between the Erie and Niagara Railway Company herein-after called "The Erie and Niagara," the Canada Southern Railway Company, hereinafter called "The Canada Southern," and the Great Western Railway Company, hereinafter called "The Great Western:"

WHEREAS, By an indenture bearing date the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three, made between the Niagara Falls

International Bridge Company, and the Niagara Falls Suspension Bridge Company of the one part, and the "The Great Western" of the other part, the said Bridge Companies did, among other things, lease to "The Great Western" the upper or railroad floor of the bridge spanning the Niagara River, at the town of Clifton, to be for the entire use and under the control of "The Great Western" during the continuance of its charter, ("The Great Western" paying the rent thereby reserved,) and giving to "The Great Western" the exclusive right to extend to other companies and persons the privilege of crossing the said bridge with locomotives, trains and cars carrying passengers and freight, on such terms as "The Great Western" and such companies or persons might agree to, but subject to the conditions and restrictions in the said indenture contained;

AND WHEREAS, The Attorney General of the Province of Ontario, on or about the fifth day of September, one thousand eight hundred and seventy-two, at the relation of "The Erie and Niagara," filed an information in the Court of Chancery for this Province, against the said Bridge Companies and "The Great Western," praying that it might be declared, among other things, that the said indenture of the first day of October, one thousand eight hundred and fifty-three, was invalid and void;

AND WHEREAS, The said Bridge Companies and "The Great Western" answered the said information, denying the allegation therein made, that it was not within their corporate powers to enter into the said indenture of the first day of October, one thousand eight hundred and fifty-three, and a certain agreement of the eighteenth day of January, one thousand eight hundred and seventy-two, amending the said indenture, and on the contrary, contending that the said indenture and agreement were *intra vires* and valid;

AND WHEREAS, By a decree of the said Court, bearing date the fourth day of February, one thousand eight

hundred and seventy-four, it was declared that the said agreement of the first day of October, in the year of Our Lord one thousand eight hundred and fifty-three, was *ultra vires* and void so far as "The Great Western" and "The Niagara Falls Suspension Bridge Company" were concerned ; but, by the said decree, the said information was dismissed as against the other Bridge Company ;

AND WHEREAS, "The Erie and Niagara" desiring to make a connection with the said bridge, applied to the Railway Committee of the Privy Council for, and obtained an order of the said Committee, bearing date the ninth day of June, one thousand eight hundred and seventy-four, authorizing them to make a crossing towards the said bridge upon certain lands of "The Great Western," in the said order described and referred to ;

AND WHEREAS, "The Erie and Niagara" having demanded, and having been refused possession of the said lands, they filed a Bill in the said Court to obtain possession thereof, and such proceedings were had, that by a decree dated the nineteenth day of August, one thousand eight hundred and seventy-four, it was ordered that upon "The Erie and Niagara" paying into Court to the credit of the cause the sum of one thousand dollars, (which was done,) "The Great Western" should be restrained from preventing "The Erie and Niagara" from crossing and intersecting the lands mentioned or referred to in the said Bill, and from availing themselves of all conveniences necessary for establishing and maintaining a connection with the said bridge in so far as the crossing and intersection of the lands of "The Great Western" in the said Bill mentioned, might be necessary to enable "The Erie and Niagara" to form and maintain such connection, and from in any way interfering with "The Erie and Niagara" in making an approach to the said bridge over the said lands in accordance with the mode proposed in the said order of the railroad Committee of the Privy Council, and from preventing "The Erie and Niagara" entering upon said premises ;

AND WHEREAS, "The Great Western" are advised that the said decree of the fourth day of February, one thousand eight hundred and seventy-four, and the said decree of the nineteenth day of August, one thousand eight hundred and seventy-four, are erroneous and can be reversed, and with the view of having them reversed, and have the said information and the said Bill dismissed, having set the said causes down for rehearing by the full Court, where they now stand for argument;

AND WHEREAS, "The Great Western" and the said Bridge Companies, on the twenty-seventh day of February, in the year of Our Lord one thousand eight hundred and seventy-five, entered into a further agreement, having reference to the said bridge;

AND WHEREAS, "The Canada Southern" also claims the right of crossing the said bridge and making connection therewith over the lands of "The Great Western;"

AND WHEREAS, The parties hereto have lately agreed to compromise the matters in dispute between them:

THEREFORE, These presents witness that the said parties hereto covenant and agree with one another, each for itself and not for the other, as follows:

1. That the Great Western shall maintain its connection now existing between the tracks of the Great Western leading to and across the said bridge, and the track of the Erie and Niagara and Canada Southern as now used by the Erie and Niagara and Canada Southern, for the prompt working of the Erie and Niagara and Canada Southern traffic over the said Bridge, or shall make and maintain some other connection, (which shall be suitable and serviceable for the like purpose, and shall be assented to by the Erie and Niagara and Canada Southern,) between the Great Western tracks leading to the said bridge, and a track of the Erie and Niagara or Canada Southern, which shall be laid by the Erie and Niagara or Canada Southern to such point of connection.

2. That the Great Western, with the view of having the service performed promptly, shall, with its engines, haul and have the right to haul the Erie and Niagara and Canada Southern traffic to and fro across the said bridge, and shall haul the same from and on their Clifton (Canada) depot tracks, and the depot tracks of the Erie Railway and New York Central Railroad Companies, or any other company at the said Suspension Bridge, in the State of New York, (the Erie and Niagara and Canada Southern providing the right of way over the Erie and New York Central and other companies' tracks,) in manner following and for the following compensation, that is to say: The Erie and Niagara and Canada Southern shall pay per hour for the services of such engines as they want, at a reasonable rate, which shall also include fuel, oil, waste, &c., and the actual wages paid to the necessary train men with the engines, which rate shall be adjusted from time to time by the superintendents of the respective companies. The Erie and Niagara and Canada Southern to contribute towards and pay to the Great Western the expense and cost of the bridge signal men, and of lamps and oil according to the percentage of business done by the respective companies. Settlements to be made monthly.

3. That the said parties shall each contribute towards the payment of the rent which the Great Western may have to pay to the Bridge Companies, in proportion to the number of cars belonging to them respectively, which may cross over the said bridge, and they shall also contribute in the same proportion towards the cost and expense of repairs to, and maintenance of the said bridge, and the tracks, structures and approaches, and towards every other expenditure which the Great Western may incur or be put to under or by virtue of the said indenture of the first day of October, one thousand eight hundred and fifty-three, and the said agreements explaining or amending the same, and towards every other expenditure which may be agreed upon.

4. That settlements of the proportions of the rent so payable by the Erie and Niagara and Canada Southern respectively to the Great Western, shall be made and the amounts paid monthly, based on the monthly business; and that settlements of the amounts payable by the Erie and Niagara and Canada Southern respectively to the Great Western, for repairs and maintenance and other expenditure, shall be made annually on the basis of the year's business, but payments on account thereof shall be made monthly by approximation, according to each month's business, and at the end of each year the state of the repairs, maintenance and other expenditure account shall be finally settled between the respective parties, and any moneys overpaid or due shall be paid to the parties respectively, who may have overpaid or to whom the same may be due.

5. That passenger or freight trains belonging to the said parties respectively, which are ready to be taken across the said bridge, shall be taken across the said bridge in the order of their arrival, without preference or priority to any of the parties, but passenger trains shall have the right of precedence in crossing over freight trains; loaded passenger trains over empty passenger trains, and live stock over other freights.

6. That the respective parties shall furnish necessary sidings on their grounds for yardage of cars and making up of trains for their respective businesses, so that there may be no delay in running trains at any time to and fro, and that they will do all other acts that may be necessary for the proper despatch of business.

7. That if at any time the Great Western shall fail to do the work of hauling trains across the said bridge with proper despatch, the Erie and Niagara and Canada Southern shall respectively be at liberty at such times to perform this service for their respective trains with their own engines and train men.

8. The Erie and Niagara and Canada Southern shall join the great Western in the endeavor to secure legislation to

legalize and declare valid the said lease of the first day of October, one thousand eight hundred and fifty-three, and the agreements of the eighteenth day of January, one thousand eight hundred and seventy-two, and the twenty-seventh day of February, one thousand eight hundred and seventy-five, between the parties to the said lease, and referring thereto and to the said bridge.

9. In the event of the said lease and agreements being so legalized, this agreement shall be co-extensive with the existence of the tenancy of the Great Western or its assigns thereunder, but if the lease of the Great Western shall at any time be determined by an act of the Great Western, then the Erie and Niagara and Canada Southern shall be entitled to the easements authorized by the order of the Railway Committee of the Privy Council of the ninth day of June, one thousand eight hundred and seventy-four, and to make connection with the bridge over the lands of the Great Western in the manner therein indicated, and in that event the Great Western shall restore and reconvey any rights, titles, properties or easements which they may have acquired under the tenth paragraph of this agreement.

10. Upon the legalizing of the said lease and agreements, the Erie and Niagara shall vacate the said decrees, or procure the same to be vacated, and shall procure the said information and the said Bill to be dismissed, and shall abandon all proceedings taken in the premises, and they and the Canada Southern shall release, surrender, grant and convey to the Great Western all and every right, title, property and easement which they or either of them possess or have acquired or become entitled to in respect of the lands in the said Bill mentioned, or under or by virtue of any of the orders, decrees or proceedings hereinbefore referred to, and the Erie and Niagara and Canada Southern shall each release and discharge the Great Western from every claim and demand of them and each of them, for or in respect of or arising out of any delay

or hindrance to them or either of them in transporting their traffic or having the same transported across or *via* the said bridge, or in obtaining the possession or use of the right to cross the said bridge, or the said piece of land in the said Bill mentioned.

11. All parties shall bear their own costs of the said suits and proceedings, and the Erie and Niagara and Canada Southern shall pay the costs of the Attorney-General, if any.

12. This agreement shall take effect and operate as if made and entered into on the twenty-fifth day of August last.

13. The number of cars to be taken across the said bridge in one train shall be subject to the regulations from time to time of the Chief Engineer of the Great Western, so, however, that the same regulations shall apply to all persons and companies whose cars and traffic shall be transported across the said bridge, and such regulations may discriminate between the several classes of cars and traffic and between loaded and empty cars.

14. The Erie and Niagara and Canada Southern shall allow and give the Directors and Officers of the said Bridge Companies, free tickets to pass over their respective railways.

15. That neither the Erie and Niagara nor the Canada Southern shall do, suffer or permit any act or thing which, by agreement with the Bridge Companies, the Great Western or their sub-lessees are not to do, suffer or permit, and the rights of the Erie and Niagara and Canada Southern under this agreement shall be subject to, and they, the Erie and Niagara and Canada Southern, shall and will observe all the restrictions and regulations which under any agreement with the Bridge Companies are to be observed by the Great Western or their sublessees.

16. That the stability and strength of the structure for railway purposes is not guaranteed by the Great Western,

and the use of the same is at the sole risk of the Canada Southern and Erie and Niagara respectively.

17. That during any period of time when the Great Western may cease or suspend the hauling of its traffic over the said bridge until the safety of the same shall have been ascertained, or until the bridge shall be strengthened and made safe, the rights of the Erie and Niagara and Canada Southern respectively under this agreement shall be suspended.

18. And the several parties hereto do further agree, each with the other, that neither party shall be liable to any person or persons whomsoever, for or in respect of any injury to the persons of the agents, servants or employees of the other or others, whether caused by negligence or otherwise, and nothing in this clause shall be taken as an agreement, implied or otherwise, on the part of either of the companies to indemnify the other companies or either of them, against any claim made against any of the parties hereto for any such injury by the agents, servants or employees or any of them, or any person or persons claiming under or in respect of such agents, servants or employees.

IN WITNESS WHEREOF, The parties hereto have hereunto affixed their respective Corporate Seals the day and year first above written.

ACT OF PARLIAMENT
OF THE
DOMINION OF CANADA.

57-58 VICTORIA, CHAPTER 98.

An Act to empower the Niagara Falls Suspension Bridge Company to issue debentures, and for other purposes.

(Assented to 25th July 1894.)

WHEREAS, The Niagara Falls Suspension Bridge Company Preamble.
has by its petition prayed that certain additional powers hereinafter set forth be conferred upon the Company, and it is expedient to grant the prayer of the said petition: Therefore, Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:

1. The Niagara Falls Suspension Bridge Company herein-
after called "the Company," may repair and strengthen, and with the consent of the Governor in Council may enlarge, change and alter its present bridge in such manner as the directors at any time deem expedient, and may also with the like consent remove the present bridge and erect a new one in lieu thereof, of such dimensions and materials, and of such kind or description and mode of construction as by the directors is deemed expedient, and may also do and execute all other matters and things necessary to properly equip and maintain such new bridge in a proper and efficient manner.

Alterations to present bridge, and building of new bridge.

Laying of pipes,
wires and
tracks along
new bridge.

2. The Company may also lay and maintain along, upon or under any new bridge hereafter built by it and the approaches thereto gas pipes and also wires, cables or other appliances for the transmission of electricity or other motive power, and may lay tracks upon the lower or carriage floor thereof and the approaches thereto for the passage of electric, cable or other cars to be moved by any power except steam, and operate such cars thereon; and the upper floor and the approaches thereto may be used for ordinary railway purposes.

Leasing of
lower floor of
bridge.

3. The Company may lease the lower floor of the bridge now erected or any bridge hereafter built by the Company, or any part thereof, to, and may enter into any contract or agreement with, any individual or corporation with reference to operating and using the same on such terms and conditions as are agreed upon and subject to such restrictions as to the directors seem fit: Provided that such lease or agreement has been first sanctioned by a majority in value of the votes at a special general meeting of the shareholders duly called for the purpose of considering the same,—at which meeting shareholders representing at least a majority in value of the stock are present in person or represented by proxy.

Proviso:
consent of
shareholders.

No discrimina-
tion in rates of
tolls.

4. So soon as the bridge is completed and ready for traffic, all street railways, either in Canada or the United States, now constructed or hereafter to be constructed, shall have and be entitled to the same and equal rights and privileges in the passage the lower floor of the said bridge, so that no discrimination or preference in the passage of the lower floor of the said bridge and approaches, or in traffic rates of transportation, shall be made in favor of or against any street railway whose business or cars pass over the lower floor of the said bridge.

In case of dis-
agreement.

5. In case of any disagreement as to the rights of any street railway company whose business or cars pass over the lower floor of the said bridge, or as to the tariff rates to be charged in respect thereof, the

same shall be determined by the Railway Committee of the Privy Council as provided in section eleven of *The Railway Act*.

6. In case the State of New York or the United States at any time provide for the appointment of a commission for regulating the working of the lower floor of the said bridge, the use thereof and the compensation to be made therefor, and for settling any dispute in respect thereof, the Governor in Council may join in the appointment of the said commission on such terms as he thinks proper, and appoint one or more persons as members of the said commission; and the decision of the said commission shall first be submitted to the Governor in Council, and if approved of shall thereafter be final and conclusive to the extent to which they are final and conclusive by virtue of the provisions made by the State of New York or the United States.

Joint commission to regulate working of bridge.

7. The directors of Company may, with the consent of the shareholders to them given at a special general meeting duly called for that purpose, at which meeting shareholders representing at least two-thirds in value of the subscribed stock of the Company and who have paid all calls due thereon are present in person or represented by proxy, issue bonds, debentures or other securities to an amount not exceeding two hundred thousand dollars, signed by the president or other presiding officer and countersigned by the secretary, which countersignature and the signature of the coupons attached to such debentures may be engraved; and such bonds, debentures, or other securities may be made payable at such times, and in such manner, and at such place or places, in Canada or elsewhere, and may bear such rate of interest not exceeding six per cent per annum as the directors think proper.

Bonding powers.

8. The said directors may issue and sell or pledge all or any of the said bonds, debentures or other securities at the best price and upon the best terms and conditions which at the time they are able to obtain, for the purposes of

Sale of debentures.

raising money for renewing, strengthening, altering or improving the present bridge of the Company, or for removing it and erecting a new bridge in lieu thereof, or for exercising any of the powers herein conferred upon the Company.

Amount of each bond.

9. No such bond debenture or other security shall be for less than the sum of one hundred dollars.

Bonds, how secured.

10. The Company may secure such bonds, debentures or other securities by a mortgage deed charging them upon the whole of the property, assets, rents and revenues of the Company, present or future, or both, as are described in the said deed; but such rents and revenues shall be subject in the first instance to the payment of the working expenditure of the bridge as defined by paragraph (x) of section two of *The Railway Act*.

Rights of holders.

11. By the said deed the Company may grant to the holders of such bonds, debentures or other securities, or the trustees named in such deed, all and any powers, rights and remedies usually contained in such mortgage deeds.

Bonds constitute preferential claim.

12. The bonds, debentures or other securities hereby authorized to be issued shall be taken and considered to be the first preferential claim and charge upon the Company and the franchises, undertaking, tolls, income, rents and revenues, and real and personal property thereof, at any time acquired, save and except as herein-before provided.

May be made payable to bearer.

13. All bonds, debentures or other securities hereby authorized may be made payable to bearer, and shall in that case be transferable by delivery.

If bonds unpaid, holders to have same right as shareholders.

14. If the Company makes default in paying the principal or interest of any of the bonds, debentures or other securities hereby authorized, at any time when the said principal or interest becomes due and payable, then at the next annual general meeting of the Company, and at all subsequent meetings, all holders of bonds, debentures, or

other securities so being and remaining in default, shall, in respect thereto, have and possess the same rights and privileges and qualifications for being elected directors, and for voting at general meetings, as would attach to them as shareholders if they held fully paid up shares of the Company to a corresponding amount.

(2.) The rights given by this section shall not be exercised by any such holders unless it is so provided by the mortgage deed, nor unless the bond, debenture, or other security, with respect to which he claims to exercise such right has been registered in his name, in the books of the Company, at least ten days before he attempts to exercise the right of voting thereon; and the Company shall be bound on demand to register such bonds, debentures, or other securities, and thereafter any transfers thereof.

Registration in
Company's
books.

(3.) The exercise of the rights given by this section shall not take away, limit or restrain any of the rights or remedies to which the holders of the said bonds, debentures or other securities are entitled under the provisions of such mortgage deed.

Savings of
other rights.

15. The agreement set forth in the schedule hereto and made between the Commissioners of the Queen Victoria Niagara Falls Park of the first part, and the Company of the second part, and the Niagara Falls Park and River Railway Company of the third part, is hereby confirmed and declared binding on the parties thereto; and a duplicate of the said agreement with the plan therein referred to shall be filed in the department of the Secretary of State for Canada.

Agreement in
schedule con-
firmed.

To be filed with
Secretary of
State.

16. Nothing in this Act contained shall be deemed or construed to in any manner impair, alter or affect the indenture and agreement set forth in the schedule to chapter seventy-two of the statutes of 1875, or any rights, powers, or obligations of the parties thereto, or any of them, or the successors or assigns of them or any of them.

Saving,
1875, c. 72.

Saving. 17. Nothing in this Act shall in any manner impair, alter or affect the rights, powers and privileges heretofore conferred upon and now enjoyed by the Niagara Falls Suspension Bridge Company which are hereby confirmed and continued, and the like rights, powers and privileges are hereby conferred upon the Company with respect to any new bridge which, may be built by the Company under the powers hereby conferred.

SCHEDULE.

MEMORANDUM OF AGREEMENT made this third day of May A.D. 1894, between the Commissioners of the Queen Victoria Niagara Falls Park, hereinafter called the Commissioners, of the first part, the Niagara Falls Suspension Bridge Company, hereinafter called the Bridge Company, of the second part, and the Niagara Falls Park and River Railway Company, of the third part.

Whereas the Bridge Company are proprietors of the Railway Suspension Bridge crossing the Niagara River below the Falls.

And whereas the said Bridge Company have by their petition applied to the Parliament of Canada at its present session, for an Act empowering them, amongst other things, to construct another bridge across the said Niagara River together with the right of operating railway cars, electric or cable or other railway across the same.

And whereas by certain Acts of the legislature of Ontario, the Commissioners have vested in them certain lands herebefore vested in the Crown.

And whereas it is desirable in the interest of the park that certain lands the property of the Bridge Company should be vested in the Commissioners.

And whereas it is desirable that certain other lands now vested in the Commissioners should be granted by irrevocable and perpetual license by the Commissioners to the

Bridge Company for the purposes of the undertaking of the Bridge Company.

And whereas the parties hereto have agreed to make the mutual concessions which each desires from the other.

1. Now therefore this agreement witnesseth that in consideration of the premises and of the mutual covenants and agreement between the parties, the Commissioners hereby grant and confirm the title and fee to the Bridge Company of the lands on the Chain Reserve now occupied by the bridge structure and offices and bridge supports of the Bridge Company.

And the said Commissioners do also hereby grant to the Bridge Company by irrevocable and perpetual license the exclusive occupation of a piece of land seventy feet in width on the north side and a piece of land seventy feet in width on the south side of the lands, the title to which has been confirmed by the conveyance of the Commissioners hereinbefore referred to.

And also down the talus or slope of the bank to within eighty feet of ordinary highwater mark of the Niagara River, measured down the slope, or sixty-six feet measured horizontally from said highwater mark.

The plan signed by the parties hereto and filed with this agreement in the Department of the Secretary of State for Canada shows the land the title to which is confirmed by the Commissioners, which said parcel of land is tinted pink on the plan, and the said parcel of land as to which the said Commissioners have granted an irrevocable and perpetual license is shown upon the said plan tinted green.

2. The Bridge Company hereby grant and convey to the Commissioners for the purposes of a public road or highway all the lands shown on the said plan as colored yellow and lying between the westerly limit of the Chain Reserve and a line drawn from the northerly boundary of the Bridge Company's property parallel with the stone abutment of the Bridge Company and distant easterly twenty feet therefrom

and inclining from the point opposite the southerly corner of the abutment to a point on Bridge Street in line with the said abutment: And in addition the Bridge Company hereby grant and convey whatever right the Bridge Company have in and to the parcel of land formerly owned by John A. Orchard and conveyed by him to said Company and forming part of the highway, to the north of the lands colored yellow, on said plan.

3. And it is agreed between the parties hereto, that these presents or any covenants by any party hereto, hereinafter contained are not to be construed as expressing or implying any covenants for title, or quiet possession.

4. The Commissioners covenant with the Bridge Company that the said lands hereby granted by the Bridge Company to the Commissioners are to be used for the purposes of a public street, and the said Bridge Company are to have free use thereof for access to and from the bridge as at present constructed on the level and overhead, or for any bridge that may be hereafter constructed for themselves; and, also, to and from the bridge at present constructed or any bridge that may be hereafter constructed, to the lands owned by the said Bridge Company to the west of the said piece of land colored yellow.

And the Commissioners also covenant with the said Bridge Company that the said lands shall be used as a public road for the free use of all persons travelling thereon either in carriages or on foot or otherwise.

5. The said commissioners covenant that the said Bridge Company shall have the right of crossing the said road or highway and the said lands above described, marked yellow, and also the said lands hereby granted and conveyed to the Commissioners, with a single or double track, electric, or cable, or other railway, to be moved by any power except steam, to reach the lands of the Bridge Company to the west thereof, and are to have the right to cross on the level the tracks of the Niagara Falls Park and

River Railway in such manner and upon such terms as may be agreed upon between the said Bridge Company and the said Niagara Falls Park and River Railway, and subject to the directions which may be approved by the Railway Committee of the Privy Council; and, in the event of the Bridge Company failing to make an arrangement with the Niagara Falls Park and River Railway for such crossing the Bridge Company are to have the right to cross the tracks of the Niagara Falls Park and River Railway in such manner and according to such directions and upon such terms as the Railway Committee of the Privy Council may approve.

6. It is agreed between the parties hereto, that the Niagara Falls Park and River Railway Company shall have the right to lay a double track and no more for their electric railway upon the said highway, it being agreed however that the said Niagara Falls Park and River Railway Company shall not place their rails nearer to the present entrance of the Bridge Company than at present and that any second track which may be placed by the said Niagara Falls Park and River Railway Company shall be laid on the westerly side of the existing track.

7. It is also hereby agreed between the Commissioners and the Bridge Company that in the event of the Bridge Company desiring for the purposes of their present structure or for the construction of a new bridge to alter their piers or abutments as at present placed, the said Bridge Company are to be at liberty to do so, and it is hereby agreed between the parties hereto that the grant of the said lands, marked yellow, and of the other lands by the Bridge Company to the Commissioners, are subject to the right of the Bridge Company to retain their piers or abutments as at present located and with the privilege to the Bridge Company to alter or change the size of their piers and their location to any other point upon the said parcel of land marked yellow and the other parcel of land hereby granted by the Bridge Company to the Commissioners, subject,

however, to allowing free access over the said lands for a public street for all proper purposes, and, also so as not to interfere with the tracks of the Niagara Falls Park and River Railway as located on the said street.

8. It is hereby agreed between the parties hereto, that the Bridge Company shall have the right upon the lands granted and licensed to them, and marked respectively upon the said plan pink and green, to place any erections or structures that may be necessary for the renewing of their present structure or for the construction of a new bridge on the cantilever or single arch principle, or otherwise, and for the necessary offices in connection with the same, the Bridge Company agreeing with the Commissioners that if after the construction of the said new work any portion of the lands colored pink or green upon the said map, may not be necessary in connection with such structure, that such portion of such lands as may be on the bank shall be maintained by the said Bridge Company as an ornamental plot or flower garden.

9. It is agreed that in the event of such a structure being decided upon for a new bridge as will require guys for its maintenance that the same may be placed or affixed to portions of the bank belonging to or under the control of the Commissioners, and, also, that the guys to the present structure shall not be interfered with, provided always that the said guys must be so arranged as not to interfere with any low level railway that may be sanctioned by the Commissioners, and that the Bridge Company will from time to time, at the request of the said Commissioners, so change the location of the said guys outside the lands of the said Bridge Company to such point or structure as the Commissioners may desire, but no change shall be directed as shall endanger the safety of the bridge.

10. It is agreed that the Bridge Company shall not exercise any powers vested or to be vested by the said Act in such Company in relation to the lands and property vested in the Commissioners or have any rights in relation

to the same other than such as are in this agreement contained, specified and described, or, unless as may hereafter be agreed upon between the Commissioners and the Bridge Company.

And the parties hereto of the third part hereby consent to and approve of the foregoing agreements.

In witness whereof the parties hereto have hereunto set their corporate seals.

Agreement between the Bridge Companies and
the Grand Trunk Railway Company,
dated 30th March, 1896.

This agreement made this thirtieth day of March, A. D., 1896.

Between the Niagara Falls International Bridge Company and the Niagara Falls Suspension Bridge Company hereinafter called "the Bridge Companies" of the first part, and the Grand Trunk Railway Company of Canada, hereinafter called "the Grand Trunk" of the second part.

(a) WHEREAS, by an indenture and agreement bearing date the first day of October, A. D., 1853, the said Bridge Companies did demise to the Great Western Railway Company the upper or railway floor of their Railway Suspension Bridge, situate across the Niagara River, between what was then known as Bellevue in the State of New York and now known as the City of Niagara Falls in the said State, and what was then known as the Village of Elgin, but, now known as the Town of Niagara Falls in the Province of Ontario, for the term, at the rent and subject on both sides to the covenants, agreements and provisions therein contained, which said indenture and agreement was confirmed by an Act of the Parliament of the Dominion of Canada, 38 Victoria, Chapter 72, and which indenture and agreement is set out in Schedule A, to the said Act.

(b) AND WHEREAS, the said parties to the said above mentioned indenture and agreement entered into two further agreements bearing date respectively the eighteenth day of January, eighteen hundred and seventy-two, and the twenty-eighth day of February, eighteen hundred and seventy-five, in amendment and explanation of the indenture and agreement, firstly above mentioned, which said last

mentioned agreements are set out in Schedules B and C to said Act 38 Victoria, Chapter 72 and said indenture and agreement as so amended was ratified and confirmed by said Act.

(c) AND WHEREAS, the Great Western Railway Company entered into and continued in possession of the said upper floor of the said bridge and appurtenances on the terms and conditions in the said several instruments above set forth and in the said Act or Statute above mentioned until the Great Western Railway Company and the Grand Trunk Railway Company of Canada under and in accordance with the provisions of the Statute of Canada, 16 Victoria, Chapter 39, became amalgamated and consolidated into one company, under the name of the Grand Trunk Railway Company of Canada, and the agreement of amalgamation was duly approved and confirmed as required by and in complete accordance with the provisions of the said last mentioned Act, 16 Victoria, Chapter 39, and thereby the said amalgamated Company acquired all the rights and property and became subject to all the liabilities and obligations of the said two Companies so amalgamated as aforesaid ;

(d) AND WHEREAS, the Grand Trunk ever since the said amalgamation have used and enjoyed and are now using and enjoying the said upper floor of the said bridge under the provisions of the said Act, 38 Victoria and the several instruments set forth as aforesaid in the said several schedules thereto above referred to.

(e) AND WHEREAS, in pursuance of the powers granted to the parties of the first part by the Act of Parliament of Canada passed in the 58th year of Her Majesty's Reign, Chapter 98, the Bridge Companies have agreed to construct a new bridge in substitution for their present bridge, the upper floor thereof, and approaches thereto to be accepted and used by the Grand Trunk in lieu of and in substitution for the upper floor of the present bridge and its

approaches, on the terms and conditions hereinafter contained and expressed.

Now, this indenture witnesseth that the parties hereto do hereby for themselves and their respective successors and assigns covenant and agree in the manner following:

1. The Bridge Companies shall with all convenient speed construct in place of their present Suspension Bridge, a double track, steel arch bridge, with an upper floor for the use of the Grand Trunk in place of the upper floor of the present bridge, according to the plans and specifications prepared by L. L. Buck, Esquire, Civil Engineer, which have been approved by Joseph Hobson, Esquire, Civil Engineer, on behalf of the Grand Trunk, and signed by both said engineers, to be accepted and used by the Grand Trunk in place of and in substitution for the upper floor of the present bridge, and subject in all respects to the covenants, agreements and provisions expressed and contained in the said indenture and agreements between the parties hereto of the first part and the Great Western Railway Company hereinbefore recited to all intents and purposes as if the same were executed and made between the parties hereto, save and except as hereinafter otherwise expressly provided, and except as inapplicable on account of the different character of construction of proposed new bridge.

2. The bridge shall be built of the material mentioned in said specifications and shall be of the size, strength and capacity also set forth in the plans and specifications, and shall include the approaches and such like work, the needle beams, cross ties, guard timbers and rails shall be provided and put in place by the Grand Trunk.

3. The approaches to the upper floor of said bridge which shall be occupied by the Grand Trunk, shall be on the same level as the approaches to the present bridge.

4. Upon the completion of the said work, fifteen days notice shall be given by the Bridge Companies of a day appointed for testing the same, and thereupon it shall,

under the direction of the engineers of the parties hereto, respectively for the time being, be tested as follows: The lower floor of the structure shall be tested in such manner as the said engineer of the Bridge Companies and the chief engineer of the Grand Trunk shall determine to be practicable and sufficient, and in the event of their failure to agree, the matter shall be determined in the manner herein provided for the arbitration of differences between the parties hereto. That at the same time the upper floor of the said bridge shall be tested by running trains with locomotives on both tracks at the same time, of the maximum weight the said upper floor of said bridge is made to carry, as shown on the plans and specifications hereto annexed, which are hereby declared to be embodied in, and form a part of this agreement; such trains with locomotives to be furnished and run by the Grand Trunk under the direction of the said engineers, and upon the said bridge being tested to the satisfaction of the said engineers, they shall express their satisfaction and approval thereof by a certificate in writing, signed by them in duplicate and delivered to each of the parties hereto, which said certificate shall be conclusive evidence that the said bridge has been constructed and completed as required by this contract, to the satisfaction of both parties hereto.

5. In the event of the said engineers acting for the parties hereto respectively, at any time being unable to agree respecting the plans, materials or workmanship of said new bridge or its completion or testing, or any matter or thing relating thereto, then, and as often as such disagreement or dispute or difficulty shall arise, they shall select a third engineer to act with them, to whom the same shall be referred as arbitrators, but if they cannot agree on such third engineer, then the President for the time being of the American Society of Civil Engineers, or in the event of his being unable or unwilling to act, such engineer as he shall nominate shall be the third arbitrator, and the decision or award of said three engineers, as arbitrators, or a majority

of them, shall be final and conclusive upon all the parties hereto.

6. The said upper floor of the said new bridge shall not be used for foot-passenger traffic, and no stairways shall be provided by the Bridge Companies from the lower to the upper floor for such traffic, nor any sidewalk maintained or repaired, but this clause shall not interfere with, or prevent the use of the said floor by the employees of the Grand Trunk, on the business of the Grand Trunk.

7. The Bridge Companies will use their utmost endeavor to have the said new bridge so constructed and the substitution of its upper floor for the upper floor of the present bridge so effected that the railway traffic of the Grand Trunk shall not be suspended, but if it shall be unavoidably suspended, then, and in that case, the Bridge Companies will arrange for the use of the adjacent cantilever bridge by the Grand Trunk for their purposes during such interruption, or the rent for said period shall be suspended, and the Grand Trunk shall be at liberty to make their own arrangements as to getting their traffic across the river.

8. Upon the completion of said new bridge and the approval thereof by the said engineers, expressed as aforesaid, the said upper floor thereof shall be deemed to be accepted by the Grand Trunk in place of, and in substitution for, the upper floor of the present bridge, and shall be subject to the said indenture and agreements between the Bridge Companies and the Great Western Railway Company hereinbefore recited, except as varied in this agreement. And the Grand Trunk shall continue to use the same for and during the continuance of the charter of the Grand Trunk, yielding and paying therefor yearly, and every year during the said term, in lieu of the rent already reserved in and by the indenture of lease and agreements between the Bridge Companies and the Great Western Railway Company hereinbefore referred to, the sum of fifty-nine thousand dollars per annum payable and in all respects recoverable at the same time and in the same

manner as if the sum of fifty-nine thousand dollars had been mentioned therein instead of fifty thousand dollars, and the said rental of fifty-nine thousand dollars shall be computed and payable from and after the day upon which the tests hereinbefore provided for shall be made and the upper floor of the said new bridge ready for the railway traffic of the Grand Trunk. Provided however, that should any delay in making said test be occasioned by the Grand Trunk, said increased rent shall be computed from the expiration of the fifteen days notice of testing hereinbefore provided for, and provided that all rent payable by the the Grand Trunk shall be paid at the Town of Niagara Falls in the Province of Ontario and not at Hamilton as heretofore.

9. The Bridge Companies shall complete the upper floor of said bridge and the approaches thereto, but the Grand Trunk shall at their own cost and expense, furnish the necessary rails, needle beams, cross-ties and guard timbers required for the railway tracks thereupon and put down the same, and that thereupon the Bridge Companies shall cover such parts of the same with galvanized iron as shall be required by the said engineers and shall provide such means as shall be deemed necessary to prevent anything falling through upon the carriage way underneath.

The Grand Trunk shall repair and maintain the approaches to the said bridge and the said covering of galvanized iron after the same is completed in place, as well as the railway track and all other portions of the upper floor. The Bridge Companies shall repair and maintain the balance of the structure.

10. The Grand Trunk shall be entitled to the old girders of the approaches, and old rails, which may be discarded from the upper floor of the present bridge and its approaches and they shall be removed by it when directed by the engineer of the Bridge Companies, and all material for construction shall be transported free over the bridge by the Grand Trunk.

11. The work shall be commenced, prosecuted and completed, with all reasonable despatch, and shall be completed to the entire satisfaction of the engineers named above, subject to arbitration, as hereinbefore provided.

12. No change in the plans and specifications herein referred to shall be made, except by the joint consent of the engineers herein named given in writing.

13. The Bridge Companies hereby reaffirm, so far as they legally may, the provisions of 38 Victoria, Chapter 72, and the schedule thereto attached in relation to collection by the Grand Trunk of tolls for the use of the upper floor of said bridge from other companies using the same for railway purposes.

14. It is hereby expressly declared and agreed by and between the parties hereto that the indenture and agreements between the Bridge Companies and the Great Western Railway Company hereinbefore recited, and all the covenants and agreements, powers and provisions contained therein shall remain in full force and effect, and be binding on the parties hereto, and applicable to the said new bridge, except so far as they are expressly varied or altered by this agreement.

15. And it is hereby expressly declared and agreed by and between the parties hereto that these presents are conditional on the same being duly ratified and confirmed by the shareholders of each of said Bridge Companies parties hereto of the first part, and that in the event of the shareholders of either of said Companies being unable or unwilling to ratify and confirm these presents, the same shall cease to have any operation or effect, and the parties hereto shall be relegated to their respective rights and obligations in all respects as if these presents had not been executed and the negotiations leading thereto had not taken place.

**Agreement between the Bridge Companies and
the Grand Trunk Railway Company, dated
31st day of December, 1902**

This agreement made this thirty-first day of December, 1902.

Between the Niagara Falls International Bridge Company and the Niagara Falls Suspension Bridge Company, hereinafter called the Bridge Companies of the first part, and the Grand Trunk Railway Company of Canada, hereinafter called the Railway Company of the second part.

Whereas there is now pending certain litigation between the Bridge Companies and the Railway Company, which litigation has been discussed and an agreement has been arrived at disposing thereof.

Now these presents, witness and the parties hereto, do hereby mutually agree as follows:

(1) The Railway Company shall forthwith, in full of all damages awarded in the said suit, and in full of all matters in controversy between the parties hereto in respect of free tickets claimed under any agreement now existing between them and of all claims in respect thereof down to and inclusive of the date hereof, pay to the Bridge Companies the sum of four thousand dollars, which said sum the Bridge Companies shall accept in full of all claims of the Bridge Companies or the directors thereof, individually or collectively, for fares paid or alleged to have been paid by them down to and inclusive of the thirty-first day of December, 1902.

(2) The Railway Company in satisfaction of any obligations imposed upon it to deliver to the Bridge Companies or either of them annual passes for their directors

and officers over the lines of such Railway Companies as the Railway Company may have arranged or shall hereafter arrange with for the use of the Niagara Falls Steel Arch Bridge or any bridge erected in substitution therefor, shall pay to the Bridge Companies the sum of eight hundred dollars per annum, which sum shall be paid in advance on the first day of January in each year, commencing on the first day of January, 1903, and the said sum shall be accepted and received by the Bridge Companies in full satisfaction of all claims of the Bridge Companies and each of them and their directors and officers, individually and collectively, for free passes over the lines of said other Railway Companies for the year for which the said payment shall be made and all such claims shall hereby be held released and discharged.

(3) The Railway Company hereby promises and agrees to deliver to the Bridge Companies on or before the 31st day of December in each year an annual pass for the following year over all the lines of railway which are now acknowledged and designated by the Grand Trunk Railway Company of Canada as part of what is known as "The Grand Trunk Railway System," for each of the following persons, namely: W. H. Merritt, J. G. Riordon, H. J. Taylor, J. H. Ingersoll, Charles Riordon, D. R. Wilkie, Thomas R. Merritt, E. O. Sage, I. S. Signor, Ezra Rust, Lorenzo Burrows, A. C. Burrows, George L. Burrows, jr., and George L. Burrows, or their successors in office respectively, and shall upon the request of the Bridge Companies, upon any of the said persons ceasing to be such director and delivering up the pass formerly held by him, deliver to the Bridge Companies a pass for his successor in office, but the said passes shall only be good while the said parties above named or their successors in office respectively, are in office as directors of one or other of the said Bridge Companies.

(4) Each party shall pay their own costs of the said litigation now pending, and upon the execution hereof the reference directed in the said litigation shall be abandoned and the said suit discontinued.

(5) The following schedule shall be taken and read as part of this agreement:

Montreal, Que., Oct. 27th, 1902.

Messrs. George L. Burrows,

President Niagara Falls International Bridge Co.

Thomas R. Merritt,

President Niagara Falls Suspension Bridge Co.

Gentlemen:

Referring to our personal interview on the 25th inst., covering the question in litigation between the Grand Trunk Railway Company and the Bridge Companies, I hereby make the following proposition in full settlement of all matters in controversy, the understanding being that if accepted such necessary action will be taken through your counsel as will dismiss and terminate any further legal proceedings, each party paying their own costs to date.

The Grand Trunk Railway will pay \$4000.00 in full settlement of all amounts alleged or claimed to have been paid by the directors of the Bridge Companies for fares, and the sum of \$800.00 per annum hereafter and the issue of Grand Trunk Railway System annual passes to each of the fourteen directors of your two Companies.

Your truly,

(Sgd.) CHAS. M. HAYS,

2nd Vice-President and General Manager

Accepted October 27th, 1902.
