My Love, X X X X X X X X
I am so dreadfully X
homesick for you to-day that
I feel absolutely wretched. Please,
Daddy, send me word that you
want me to return next month,
and do come to Murray Bay
to meet me. I hate so to take
that awful water trip alone. Let
me know in plenty of time just
when you want me to leave, as
I do not like to have to rush the
last minute. I know that the
family will feel perfectly terrible
at my not being here for Xmas

but if I am to keep well, I must have my Daddy. These blue spells play havoc with me and I get them so often, that I'll soon be reduced to a mere shadow.

Dearest, did the wedding presents arrive safely or were some of them broken? You didn't tell me and I am very anxious to know.

I haven't heard from Ed. Hert about the fish. Think I'll drop him a note if I don't hear soon.

Hoping that my dear, good Daddy will do as Bubbles wants him to. - I am
