

Dear Marg,

Compare these pictures with the original ones from D. Hoyt's and see if you don't find a great resemblance. I did them all from memory and think that they are a better likeness than his ever. you see that I do not attempt any flattery, they are as natural as I can make them. [?] from life. These are only the proofs. Will make a large size of any you prefer _
No charges!!- Sincerely

Page 2-Drawings:

Dudley Hoyt

Third page

Drawing mouse in bed:

This is the way that I imagine
you must look. The white a-
round your nick is a bandage

Next Picture:

Here you are as I last
saw you Done from [Mem]

Last drawings, first on page:

Here you are with
the mumps in case
you do get them

Drawing beside:

Here you are
Scouting [scouting?] for
scandal_
notice the fiendish
smile and
glittering eyes

Last drawing:

Here you are
Easter morning_
Easter Greetings
