| Administrative/ Biographical Sketch | <p>Employees of Bell Canada have been affiliated with the Telephone Pioneers of America since 1911. The organization brought together retired and active workers for fellowship and to perform charitable acts. After deregulation and restructuring phases of 1997 and 2000, the parent company, BCE, no longer supported the organization and the club shortly thereafter withdrew its affiliation with the Telephone Pioneers of America. Some chapters exist today as independent organizations, with limited support from BCE Inc. The St. Catharines club, which was part of Brock Council, has ceased operations.</p> | | |
