

Title:	Water and Sewer Service Report, Thorold Township, 1928		
Creator:	Township of Thorold		
Dates of Material:	1928	Record Group Number:	RG 248
Summary of Contents:	Two reports, two survey plans, two lists (one handwritten)		
Physical Description / Condition:	Material is in good condition with some minor staining and wear marks.		
Administrative/ Biographical Sketch	In 1928 Thorold Township evaluated the water and sewer systems of the Thorold Park subdivision in response to petitions from property owners. The reports, which included recommendations and two survey plans, were prepared by township engineers Ross & Scott. The papers also include a list of property owners in the sewer area, if they were connected to the main sewer and the number of persons in each family.
